October 5, 2011

### *MGI NA Member Firms Receive Recognition*

We would like to congratulate MGI NA member firms who have been recognized in a recent *Accounting Today* survey:

### *Accounting Today's 2011 "Best Accounting Firms to Work For"*

This survey and award program was designed to identify, recognize and honor the best places of employment in the accounting industry, benefiting the nation's economy, its workforce and businesses. The *Best Accounting Firms to Work For* list is made up of a total of 100 companies, split into three groups: 45 small-sized companies (15-49 employees), 45 medium-sized companies (50-249 employees) and 10 large-sized companies (more than 250 employees).

Accounting firms from across the country entered the two-part survey process to determine the *Best Accounting Firms to Work For*. The first part consisted of evaluating each nominated firm's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top firms and the final ranking.

The following member firms made the list:

- Fesnak and Associates
- Santos Postal
- Wright Ford Young
