## INSIDE Public Accounting Names *Johnson Lambert & Co. LLP* to its *Best of the Best List*

Johnson Lambert & Co. LLP is proud to announce that they have been named to INSIDE Public Accounting's Best of the Best Firms list for 2009. This is the second consecutive year that the firm has received this recognition.

INSIDE Public Accounting's Best of the Best recognition honors 25 firms annually for their wise management and superior operational performance in fiscal and management metrics based on over 50 criteria. This is the 15th year INSIDE Public Accounting (IPA) has named the best-managed accounting firms. 245 firms participated in this year's IPA Annual Survey and Analysis of Firms. Each of the firms is eligible for the IPA Best of the Best designation, regardless of size.

"Best of the Best firms represent the top 25 accounting firms in the nation who each demonstrate the combination of vision, planning and execution to deliver superior performance," says Michael Platt, principal of the Platt Group and publisher of INSIDE Public Accounting. "Firms who earn this designation are tops in their field, and represent the best of what the accounting profession has to offer," Platt says.

The 2009 Best of the Best firms range in size from \$3 million to \$168 million; represent all regions of the country; some firms are heavily focused on audits, some on tax, and several derive up to 40% of their revenues from non-traditional services.
