Johnson Lambert & Co. LLP Named one of the 2009 Top 100 Best Accounting Firms to Work For

We would like to congratulate Johnson and Lambert for being chosen as one of “The 2009 Best Accounting Firms to Work For” by Accounting Today in the 25-249 employee category.

Congratulations to Debbie Lambert and her team.

This survey and award program was designed to identify, recognize and honor the best places of employment in the accounting industry, benefiting the nation's economy, its workforce and businesses. The Best Accounting Firms to Work for list is made up of a total of 100 companies, split into three groups: 20 small-sized companies (15-24 employees), 65 medium-sized companies (25-249 employees) 15 large-sized companies (more than 250 employees).

Companies from across the country entered the two-part survey process to determine the Best Accounting Firms to Work for. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration, survey and analysis process and determined the final rankings.
