MGI-NA Member News

Please email Nancy@AccountantsAdvisory.com with the latest news, new partners, merger happenings, cross-selling opportunities, interesting or significant new clients, firm and personal events, or any other information such as best practices, that you would like to share with your fellow MGI-NA members.

We will compile the information and include all of it in our next MGI-NA Communiqué Bulletin.

2008 AGM

The 2008 MGI Annual General Meeting (AGM) will take place in Mexico City, kicking off with golf on Wednesday, October 22nd and a welcome cocktail party for all attendees that evening. The conference will be held on Thursday and Friday, October 23rd and 24th. The post conference tour will be held in Cancun. The Mexico City AGM offers all of our NA members the chance to experience the benefits of attending an AGM close to home at a reasonable cost. We encourage all of the MGI-NA members to attend this conference.

2009 NA Area Meeting

Charles Postal and his staff are already hard at work planning for the MGI-NA Area Meeting to take place on May 14th and 15th, 2009. The meeting will take place in Washington, DC. Keep an eye out for “save-the-date” and other information regarding this meeting.
